Boston, July 11, 1838.

N. G. Chapman, Treasurer
Mass. A. S. Society.

Dear Sir — My Jr. amounting to $907.36, has been before the financial Com. more than a fortnight. They have not yet reported to me. Mr. Phelps told me, this morning, that it would, undoubtedly, be approved. I have a note to pay at the Washington Bank, of $120.00, due yesterday; unless I pay it, this day, my business will be broken up. Can you help me to that amt. You will, undoubtedly receive it, from 4th of July collections, in a few days, if you have it not on hand.

Respectfully,
Isaac Knapp
